

What If You Had Animal Teeth

Third Reading: Analysis

Share the reading responsibilities with the listener any way you wish. You may wish to alternate reading pages, or have your child retell the contents of each animal's page. When your child is retelling the information, help your child use the details in the photographs and illustrations to guide the retelling.

DISCUSSION QUESTIONS:

- Which animal's teeth would you most like to have? Explain your answer.
- Which animal's teeth would you least like to have? Explain your answer.
- Use your imagination. What would the perfect design for human teeth be?
- Do humans need teeth to survive? Explain your answer.

ACTIVITIES:

- Check out: scienceforkidsblog.blogspot.com/2013/13. This website has great ideas for classroom activities.
- Check out Sandra Markle's book: *What If You Had Animal Hair?* This book is written in the same format and has wonderful information.
- On www.youtube.com, search "animal teeth". So many interesting options appear!
